Autumn Term 1: Homework grid

Anglo-Saxons	Digestive System	Journeys
In History, we are learning about the invasion of the Anglo-Saxons and Scots. Make a model linked with Anglo-Saxon, this could be a helmet, brooch, or some runes. Enjoy the crafts!	**In Science, we are learning about the digestive system.** Write about or create a poster of the digestive system. How do we digest food? What happens to the food we eat? 	**In English, we are using the book 'Journey' by Aaron Becker as a stimulus for some creative writing.** Write your own recount of a journey you have been on. Include the things you did, ate and the things you saw. Being Healthy	**Online Safety**	**It's up to you!**
Could you design a well-balanced healthy meal? Create a menu with the meals you have designed. You may even try to cook some of them and share it with us in the classroom.	**We are always learning about the importance of staying safe online.** Design and create a poster about how to stay safe online. Think about different apps you can go on and how to be safe using them too. 	Enjoy doing something that you love and evidence it in you project journal. This may be a picture of you doing it *i.e. sport, art, cooking* or a written piece telling us all about it.
