Penguin Class
Spring 1 Homework Grid

Science- Electricity	DT- Torches	Geography- Comparing places
Design a poster about safety when using electricity. Explain about how to be safe when using electricity and how to be safe when using different appliances.	In DT, we are going to be designing and making an electrical torch (electrical systems). Research and design a different electrical system.	In Geography, we are learning how places compare from Spain to England. Create a leaflet about comparing a place in Spain to a place in England. RE- Islam	**Maths- Problem solving**	**Over to You!**
We are learning about the beliefs and customs within Islam. Create a model or information booklet about Islam. Maybe you could create a model of 'The Five Pillars'.	Practise your times tables and have a go at writing some maths word problems. These could involve addition, subtraction, multiplication or division. 	What do you like doing? Share with us something that you enjoy doing- write a story, create a leaflet, or share pictures and some writing about it.
