

Penguin Class
Spring 2 homework grid

Science – Sound	English	History- Ancient Mayans
<p>Investigate sounds in your home and create a poster or written report on how those sounds enter your ear. How can we hear the sounds? The whirring from the washing machine to the sound from the TV. How do we hear them?</p> 	<p>We will be writing letters in English. Have a go at writing letters to your family or friends this term. Maybe you could find letters to read for your reading time.</p> 	<p>In History, we are learning about the Ancient Mayans. Create a written leaflet/ model about what life was like in Ancient Mayan times.</p> <p>Maybe you could have a go at making some chocolate models.</p> 
Compassion	Art- Still Life	Reading
<p>Our value this term is 'Perseverance'. Produce a written piece (a poem maybe) or drawing showing how you have shown compassion towards others or what perseverance means to you.</p> 	<p>We will be learning and looking at Still Life art work- have a go a finding objects at home to create your own 'still life' drawing.</p> 	<p>We know how important it is to be reading daily- as part of your homework why not create a new book cover for your current reading book or write a book review?</p>
