DT – Pavilions	English	Geography- The World
<p>We are going to design and make our own pavilion. Could you research and maybe try to find pictures of any pavilions local to us. Bring in some pictures of different pavilions.</p> 	<p>We are writing biographies in English. Have a go at writing an autobiography about your life. Retelling events that have happened. You could also do some research about someone you find interesting for our biographies.</p> 	<p>In Geography, we are learning about how our world is divided. Could you make a model of the world and show the equator, hemispheres, and any other ways it is divided?</p> 
RESPECT	Classification	
<p>Our value this term is 'Respect'.</p> <p>Produce a written piece (a poem maybe) or drawing showing how you have shown respect towards others or what respect means to you.</p>	<p>In Science, we are learning about different animals and how we can classify them. Create a classification key to group different animals. Maybe they could be different animals you have seen before or animals in a particular part of the world.</p>
