

RE Knowledge Organiser - Year 6

Creation and Science: Conflicting or Complementary?

Key Vocabulary

cosmology		the beginning of the universe
Creation		the creating of the universe, especially when regarded as an act of God.
evolution		the development of living things
Genesis		first book of the Bible
universe		all existing matter and space considered as a whole

Genesis 1 - Creation

in the beginning	God started creation
the first day	light was created
the second day	the sky was created
the third day	dry land, seas, plants and trees were created
the fourth day	the Sun, Moon and stars were created
the fifth day	creatures that live in the sea and creatures that fly were created
the sixth day	animals that live on the land and finally humans, made in the image of God were created
by day seven	God finished his work of creation and rested, making the seventh day a special holy day.
