EYFS PE Knowledge		
Physical Development	3&4-year-olds will be learning to:	Children in reception will be learning to:
	- Continue to develop their movement, balancing, riding (scooters, trikes and bikes) and ball skills. - Go up steps and stairs, or climb up apparatus, using alternate feet. - Skip, hop, stand on one leg and hold a pose for a game like musical statues. - Use large-muscle movements to wave flags and streamers, paint and make marks. - Start taking part in some group activities which they make up for themselves, or in teams. - Match their developing physical skills to tasks and activities in the setting. For example, they decide whether to crawl, walk or run across a plank, depending on its length and width.	- Revise and refine the fundamental movement skills they have already acquired: - rolling - crawling - walking - jumping - running - hopping - skipping – climbing - Progress towards a more fluent style of moving, with developing control and grace. - Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming. - Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor. - Combine different movements with ease and fluency. - Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group. - Develop overall body-strength, balance, co-ordination and agility. - Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming. Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball.

National Curriculum – KS1
Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co- operative physical activities, in a range of increasingly challenging situations. <i>Pupils should be taught to:</i> - master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities - participate in team games, developing simple tactics for attacking and defending - perform dances using simple movement patterns

St Sebastian's PE Knowledge Progression

National Curriculum – KS2

Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.

Pupils should be taught to:

- use running, jumping, throwing and catching in isolation and in combination
 - play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounder's and tennis], and apply basic principles suitable for attacking and defending
 - develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]
 - perform dances using a range of movement patterns
 - take part in outdoor and adventurous activity challenges both individually and within a team
- compare their performances with previous ones and demonstrate improvement to achieve their personal best

Swimming and water safety

At St Sebastian's Swimming instruction takes place for all Year 3 and Year 4 pupils. In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.
