Summer 2 homework grid

Below you will find some fun activities that link to our current learning 'At the Seaside'

- We encourage children to complete one activity every 2 weeks on a Friday.
- You can choose which tasks you would like to complete in any order you like.
- How the children present their work is up to them. If it is suitable, you may wish to put it in their homework journal or you could take a photograph and upload it onto Class Dojo.
- We will have time every Friday at the end of the day to share children's home learning with the class.
