every teacher I have had for my children has been very caring and supportive of them, also myself. I'm very happy I got my children into this school

I am so pleased with how far *child* has come since starting school. His confidence and personality is shining through and that's down to everyone at school making him feel like he can be himself and finding ways that helps him be his best.

since *child* joined the school, his confidence has grown tremendously, he is very happy to go to school and I feel confident that he is cared for to the highest standard. I am forever grateful for the care he has received and really couldn't ask for a better setting, the staff have been amazing with *child* and I am forever grateful.

fantastic school, my son is really happy here

when my daughter struggled reading, they supported her and myself to get a referral from the hospital, whilst I waited for the appointment, they already had procedures in place to support her and kept me informed of her progress.

I'm very happy *child* joined this school I wish he started here from the beginning but the amount he has progressed is down to the teachers caring and supporting him.
