

Koala Class Homework Grid - Summer 1

Create a collage of an animal.	Write a story about Kevin's adventures in Australia.	Practice your throwing skills and make a target game.
Choose any animal you like and create a picture using paper, fabric, straw, pasta etc. Can you make a scene? 	 Kevin has just returned from his holiday in Australia. Can you write your own story explaining all the fun things Kevin got up to? What animals did he see? What was the weather like? What food did he eat? What clothes did Kevin wear?	 Collect either a box, large bowl or a washing basket and add labelled score cards. Can you throw a small ball, bean bag or a pair of socks into the target basket? The further away the basket, the higher the score!
Make a list of birds you see in your garden or at the park.	Superheroes	Choose a country and draw pictures to describe it.
Keep a look out for birds. Ask an adult or use a bird identifier (like the website below) to find out what kind of birds you see. Make a note of your favourite birds to tell us about them in school. https://www.rspb.org.uk/birds-and-wildlife/wildlife-guides/identify-a-bird/	Draw yourself as a superhero and write about your powers. What would your superpower be? What would your name be? 	What is the weather like? What food do they like to eat?  Can you draw the flag? Has it got a famous landmark?

Koala Class Homework Grid - Summer 1

The children can choose to do any of the activities in the homework grid on reverse.
Please support the children as needed.

One piece of homework is due in every two weeks.

The first due date is during the week beginning Monday 29th April.

Any homework bigger than A4 will need to be photographed to be stuck into the book and the original work sent home again.

Many thanks in advance for your support with the homework.
