Online Safety resources for Key Stage Two

Play Like Share

A three video series for 8-11 year olds following the adventures of Alfie, Ellie and Sam as they form a band, learning that the internet can be helpful but they need to use it wisely and safely. The resources are designed to help children spot the signs of manipulative, pressuring and threatening behaviour.

Resources include videos, 2 different workbooks designed for upper/lower KS2 and a resource pack. Videos are available to download with subtitles. Registration to Thinkuknow required (FREE)

https://www.thinkuknow.co.uk/professionals/resources/play-like-share/

Band Runner

A fun game featuring characters from the Play Like Share resource, it will test children's knowledge about staying safe online by asking them to help the characters make safe choices online. Will help children to distinguish between safe and unsafe online behaviours, and help them feel more confident in asking a trusted adult for help

Can be used in conjunction with the Play Like Share animated videos and a guidance pack for the game, to support delivery as an online safety session, is available from the Thinkuknow website (FREE registration required.) The game can be accessed by visiting the 8-10 year old section on Thinkuknow

Digital Citizenship: Terms and Conditions

The Children's Commissioner has produced a simplified version of the terms and conditions that many children and young people agree to without understanding what they mean. In association with TES and Schillings, teaching packs have been produced to enable children and young people to learn more about their rights online when using social media.

The teaching packs can be accessed through the TES website (FREE registration required) while the simplified terms and conditions can be accessed from the Children's Commissioners website

Personal Information: Information Commissioners Office

The Information Commissioners Office (ICO) has created a series of three lessons to enable appropriate discussions around personal information sharing with primary age students.

Lesson One: What is Personal Information?
Lesson Two: Who needs to know?
Lesson Three: Opting Out

Online Safety resources for Key Stage Two

#LiveSkills

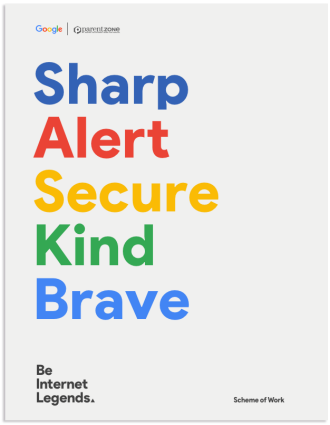
A package of resources for 8-11 year olds focused on live streaming, looking at the features available as well as the risks to children and young people. Separated into 20 minute activities, with resources available for teens as well, the package will cover:

- Building confidence and self-esteem
- Positive and negative attention
- Critical thinking skills and tactics used by offenders online

The package includes PowerPoint slides, guidance for delivery and information for parents/carers. Available from Thinkuknow (FREE registration required)

https://www.thinkuknow.co.uk/professionals/resources/live-streaming/

Be Internet Legends



A complete scheme of work designed for KS2 students created collaboratively between Google, Parent Zone and Internet Matters, and is a PHSE Association certified resource. It focuses on key areas of online safety including

- Personal information sharing
- Scams, phishing and online fraud
- Online security
- Respect and kindness
- Talking about online issues

Includes full lesson plans, downloadable content such as posters and information to share with parents and carers so they can support their children with consistent safety messages. There are now additional resources available to download covering digital wellbeing. All resources are FREE to access and hard copies can be ordered from Parent Zone when stock is available

Education for a Connected World

This framework describes the Digital knowledge and skills that children and young people should have the opportunity to develop at different ages and stages of their lives. It highlights what a child should know in terms of current online technology, its influence on behaviour and development, and what skills they need to be able to navigate it.
