The Five Pillars of Islam

These are the five most important duties for Muslims.

The Shahadah

The Shahadah is the Muslim declaration of faith. It is something all Muslims must believe in. It says:

'There is no god but Allah, and Muhammad is the messenger of Allah'

'There is no god but Allah, and Muhammad is the messenger of Allah'

This belief in one God is known as **Tawhid**.

What is Tawhid?

In its basic form, Tawhid is a very simple idea.
It is just the assertion that there is only one God.

Islam is therefore a **monotheistic** religion.
This is a religion that only believes in one God.

However, believing in Tawhid also implies other facts about God.

Surah 112 of the Qur'an is very important to Muslims wishing to learn about the nature of God. Read the quote below and make a list of all the things implied by their belief in Tawhid.

He is Allah, the One and only!
Allah, the eternal absolute!
He is the father of none, and none is his father.
And there is none like unto him.
