The Bible was written long ago by many different authors and includes books of history, songs, poetry, letters, prayers and much more!

Christian worship involves praising God in music and speech, readings from scripture, prayers of various sorts, a sermon, and various holy ceremonies (often called sacraments) such as the Eucharist.

Baptism is an important sacrament because Jesus was baptised, and after his resurrection he told his disciples that they too should be baptised. ... It was John who baptised Jesus. Christians believe that baptising cleanses people from original sin and marks a person's official entry into the Church.
