

St Sebastian's CoE Primary School

Fortnightly Newsletter (Friday 6th March 2026)

Through our Christian Values, we strive to create an inclusive nurturing community where everyone can flourish, unlock their potential and widen their horizons.

We are enjoying the sunshine this week during break and lunchtime and have been making the most of our break and lunchtimes.

It has been a busy week with World Book Day on Thursday giving us opportunities to share our amazing costume ideas. The theme of 'dress as a word' hopefully gave the children opportunities to be imaginative and to see what things they already had at home rather than having to spend lots of money of a costume! The staff and children have been busy decorating classroom doors using the theme of traditional tales.

This week the School Council have revealed the winners of the votes from each class that was carried out before half term. The children were asked to choose which of the United Nations Global Goals of Sustainable Development they would like to achieve first.

The winning goal was:

The School Council revealed the goal and then introduce the charity: Marine Conservation UK. They looked at the concerns over pollution in the ocean affecting animals and the effects of climate change on our seas. They read out some facts about the amazing creatures that live in the ocean and the surprising fact that only 25% of the ocean is mapped which is less than that of space!

The Council are keen to do some fundraising for the Charity later in the term by carrying out a sponsored litter pick...more details to follow!

As ever, thanks for your continued support.

Mrs Bedford

Term Dates

Parents Evenings

3.40—5.50pm

Tuesday 17th &
Wednesday 18th March

Penguins Brass

Performance 3pm

Thursday 26th March

Easter Service in Church 2pm

Tuesday 31st March

Last day of Term 4

Thursday 2nd April

Term 5 Begins

Tuesday 21st April

KS1 Class News

Pandas— Panda class had the best time visiting Tattershall Farm Park this week. We enjoyed walking goats, watching a bird of prey show, feeding reindeer, looking at meerkats and also had lots of fun playing! I think that the bouncy pillow was everybody's favourite part of the day!

Koalas— We've had a wonderful world book day and even had another Mrs Copson in class today! The children enjoyed a wonderful day at Woolsthorpe manor last week and have been working very hard after the half term holiday. We've been learning about Isaac Newton and have been writing our own rainbow shape poems.

Polar Bears— Polar Bears Class have been enjoying taking on the role of doctor, nurse, patient, receptionist and visitor. Their role play will help them to write a detailed description of what a modern hospital is like. Later in the week, they will compare this to hospitals during the Crimean War. I think they'll be in for a shock!

This term our Christian Value is 'Perseverance'

"I can endure all these things through the power of the one who gives me strength."

Philippians 4:13

KS2 Class News

Tigers— We have loved our first PE lesson of the year out on the field this week! It was so lovely to be practising our football skills in the sunshine.

Penguins— In history, Penguins have been investigating sources from the Ancient Mayans. They were history detectives and asking questions about the items.

Elephants— This week in Elephant's classroom, it has been assessment week. The children have done incredibly well with their math, reading, punctuation and grammar. We have also really enjoyed exploring our topic in history, Ancient Greece. However, children were on the fence as to whether they would have preferred to live in Sparta or Athens!

Giraffes— The Giraffes had such a great afternoon last week showcasing their work on WW2. Thank you to everyone who was able to join us—we hoped you learnt something new!
