Year 6 Homework Projects—Autumn 2

Choose one homework project to complete each fortnight. Record any new learning, tasks or projects in your journals to be marked. Be as creative as you can! Hand in on the following dates:

Friday 21st November ***Friday 5th December*** ***Friday 19th December***

Science: Create a labelled diagram explaining how the circulatory system works. Use this video to help. How does our circulatory system keeps us alive? | BBC Teach - YouTube	**Design and Technology:** Later in the term, we are going to sew our own waistcoats. Practise sewing at home in preparation. Practising the running stitch would be very useful. Running Stitch How To - Basic Sewing (Hand Embroidery & Hand Sewing) - YouTube	**Maths:** Create a helpful poster for strategies to divide numbers. Use the correct vocabulary (dividend, divisor and quotient).
History: Draw and label an aeroplane used during the Battle of Britain.	**History:** Research either Neville Chamberlain or Winston Churchill and write a short biography.	**English:** Choose a well-known traditional story to retell with a twist!
